	MEMORANDUM FOR: General Carter, DDCI	
		25X1
	On Monday, December 10th, I discussed current status and	_
25X1	proposals for future pperations as covered in	
	with members of the Special Group informally and prior to the	
	Executive Committee meeting which assembled at 5:30 in the evening.	
	Recommendations A and B were approved, and Mr. Bundy	
! !	reported that the subject had been discussed with higher authority	
	and therefore there was no need to again refer the matter.	
	Recommendations C and D were held in abeyance subject to	
	further consideration by CIA regarding the security implications of	
25X1	an operation in	
	For your information, at a subsequent discussion with Alexis	
	Johnson, he raised the question as to whether security of U-2 over-	
	flights was a matter of any particular concern to us if the	25X1
25X1	participated in this activity, as anticipated in C and D.	
20/(1	I think this is a point well worth evaluating in connection with CIA	
25X1	consideration of security problem.	
!	Such steps should be taken at once to implement A and	
1	B, including notification to our Ambassador and such talks with the	
25X1	as are appropriate.	
	Upon completion of the second of the four authorized	
ļ	flights, recommendation for additional flights should be made to me	
	for presentation to the Special Group.
